### New Wine List Review

#### SERAFINO CAB SAV

Ripe blackberry, mint and violets, complemented by subtle cedary oak notes. Intense cassis and dark cherry flavours with hints of herbaceous/fruit, all enhanced by firm tannins and perfectly integrated French and American oak.

#### TA KU SAUVIGNON BLANC

Light straw colour. This light and aromatic Sauvignon Blanc displays delightful varietal character. Tropical fruit and grassy herbaceous notes lead into a lively, crisp palate

## In Local News

- Work on the \$18 million McLaren Vale Overpass will begin shortly. Lane and speed restrictions of 25km/h will be in place around the Victor Harbor and Main Rd intersection, McLaren Vale.
- More than 200 southern residents are now working on the Seaford rail extension. The Seaford rail extension is on track for completion next year, but will not be ready for trains until 2013.
- More than 20 apartment buildings have been earmarked for the redevelopment of the former Mitsubishi site, in Tonsley Park. State Government plans for the 62ha site on Main South Rd include 23 apartment blocks, ranging from three to five storeys. The latest plans for the redevelopment include a \$90.6 million Sustainable Industries Education Centre (SIEC), shops and a 6656sqm town square.
- Aldinga Aviation is calling for a change in its airfield's zoning to protect its long term use. The Colville Rd airfield is located in a general farming zone but wants to sit in its own zone with buffer areas surrounding it. This would help to prevent developments such as multi-storey buildings from being built near the airfield. Onkaparinga Council also supports the move.
- Old Reynella traders are hoping an upgrade to the area's shopping complex and a new tourist information centre will boost business along the strip. Upgrades will include a total refurbishment of the Old Town Reynella complex by property owner Romeo's Group, as well as renovations to Alexander Cottage and the Horse Changing Station, which is planned to be turned into a tourism information centre. The once-bustling strip has struggled since it was bypassed by the Southern Expressway more than a decade ago. The \$4 million revamp is expected to be finished by March or April next year.
